

Resort TAX

for the administrative district of Wertheim

Why Resort tax?

Health Resorts and other areas of tourism can raise a resort tax, to cover the costs for establishing and maintaining recreational facilities.

Who is obligated to pay resort tax?

All visitors in the city are obliged to pay. Residents of Wertheim are not obliged.

How high is the resort tax?

The resort tax is 1.00 € per person, per night.

Who is exempt from resort tax?

1. Non-residents that are only staying in the city for a day. (daily tourism)
2. Children under 17 years.
3. **Families** of residents who are visiting, free of charge and not taking part in any recreational activities and/or resort facilities.
4. Participants in congresses, training courses and conferences in the community, if the participation is predominately job related.
5. Non-residents, which are working in the city. (on site-, assembler etc.), § 43 exp. 2 KAG.
6. Residents of partner cities and participants of student exchanges.
7. Residents of the community, who mainly live elsewhere, but have their second residence in Wertheim.
8. **Disabled and severely handicapped** persons, as long as they are not capable of taking part in any recreational activities and/or resort facilities. The handicap level must be at least 80% and this must be documented by a doctor through a handicapped ID.
9. **Chaperons** of disabled and severely handicapped, if the chaperon does not participate in any recreational activities and/or resort facilities.

Who is entitled to a guest card?

All individuals paying resort tax are entitled to a guest card.

Which offers are included with the guest card?
